Ezekiel was a prophet who lived 500 years before Jesus. One of the Bible's longest books comes from him.

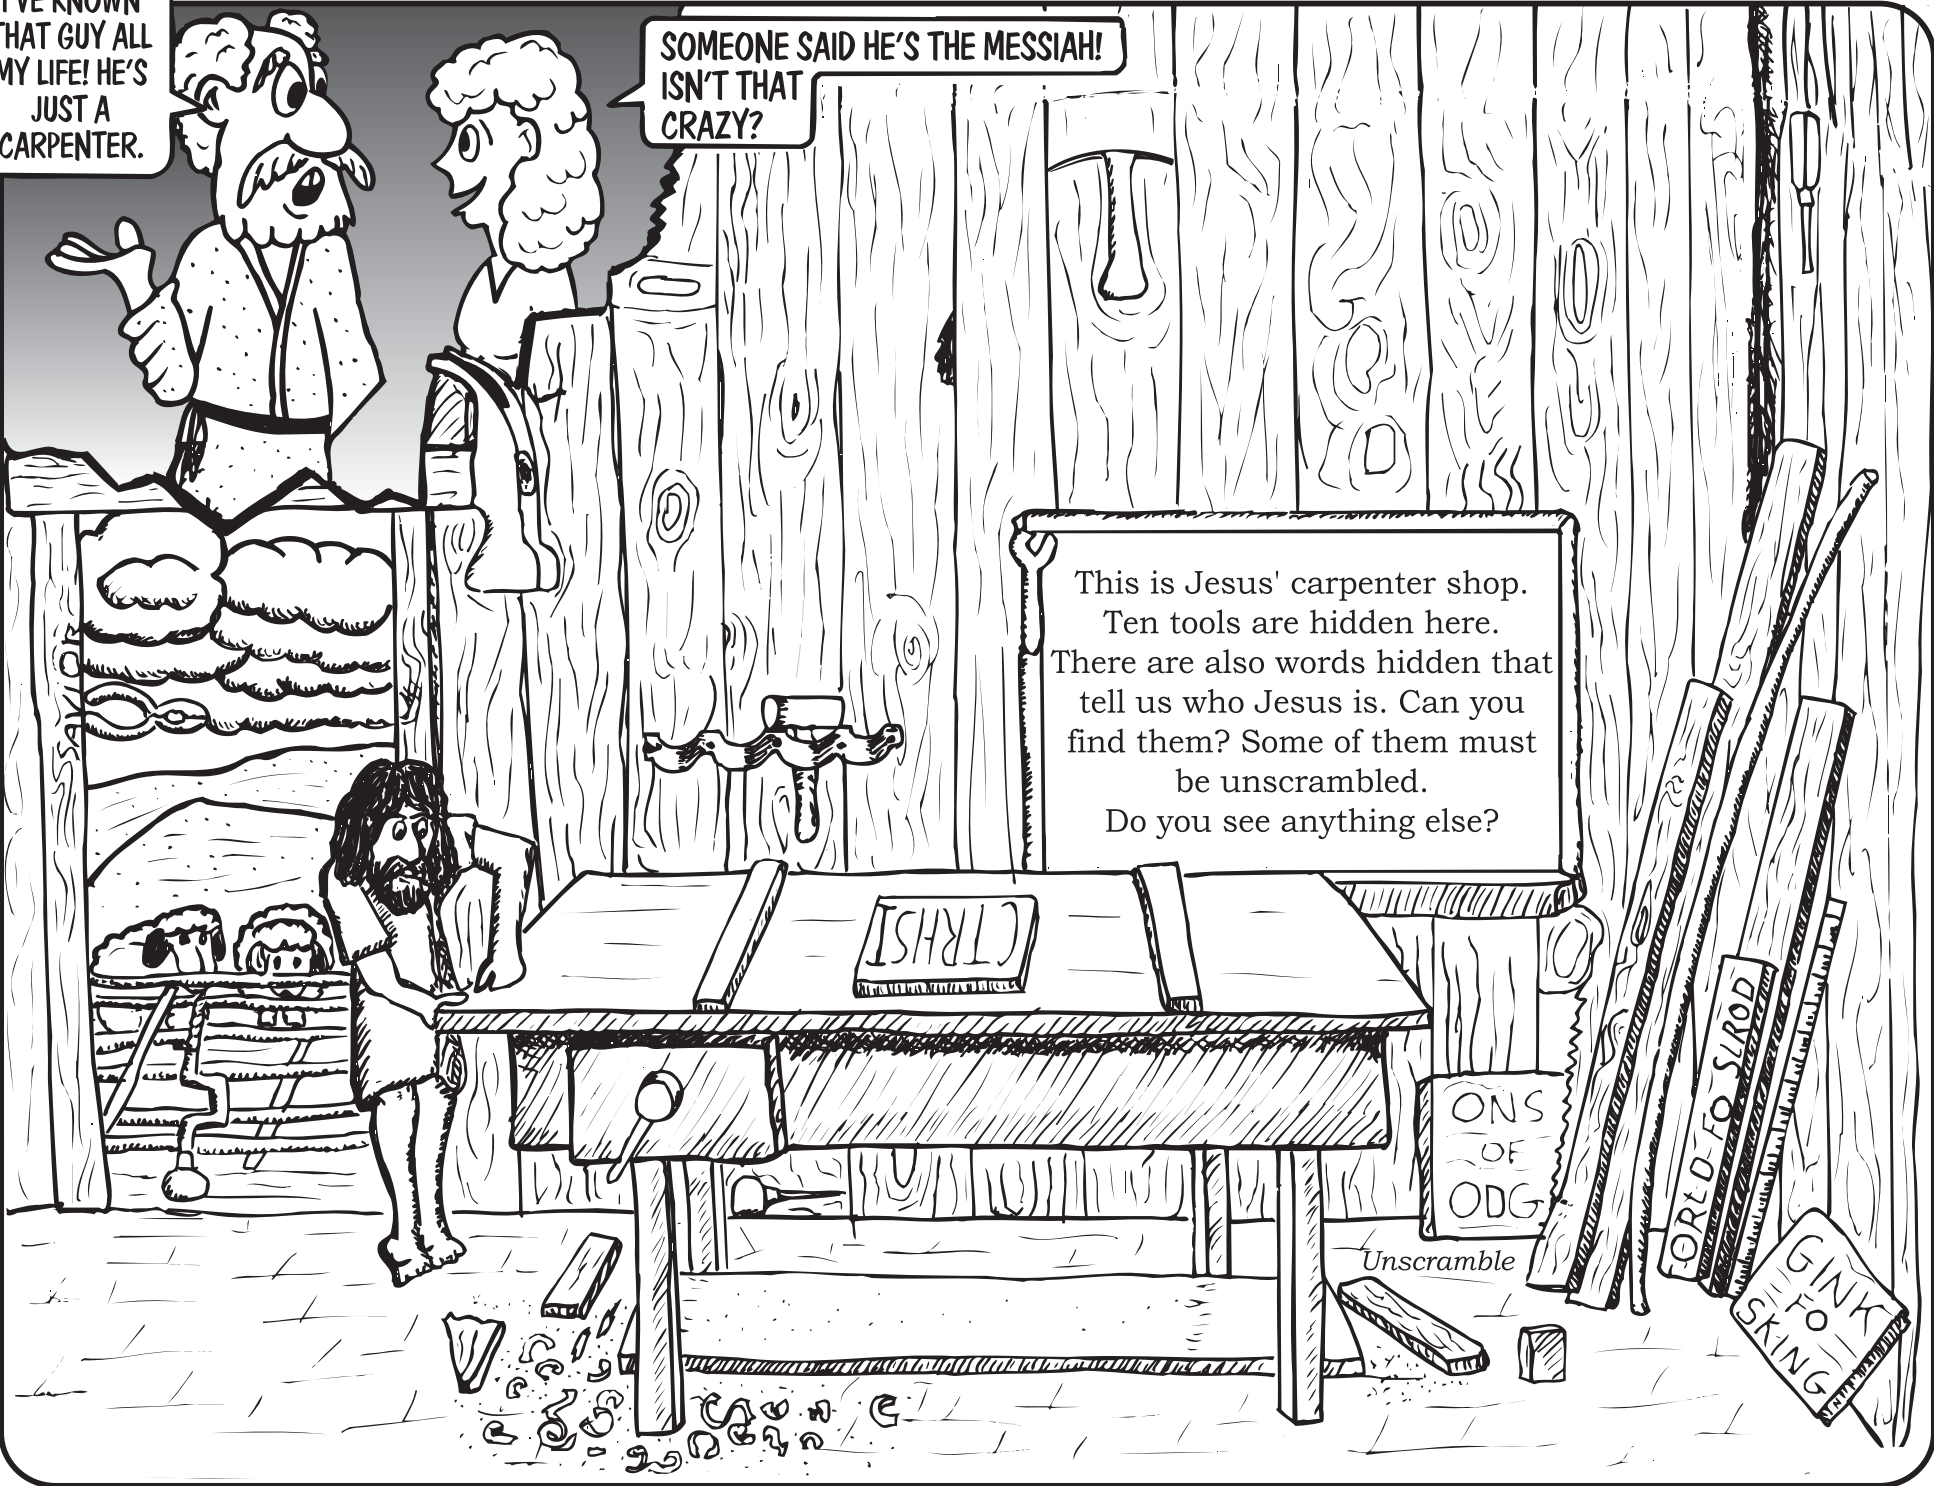

A prophet spoke the words of God to people. The message might be happy and hopeful, or it can be frightening and sad. Sometimes a prophet warned people to turn away from ugly, hateful ways of behaving and return to the way of love and obedience to God. This often made people angry with the prophet.

This is Jesus' carpenter shop. Ten tools are hidden here. There are also words hidden that tell us who Jesus is. Can you find them? Some of them must be unscrambled. Do you see anything else?
