The month of January is dedicated to the Holy Name of Jesus and His Holy Childhood.
His Holy Name should not be taken in vain. That’s even a commandment: You will not take the Lord’s Name in vain! Check out the litany of His Name, find or create your own prayer, or simply say His Name lovingly throughout your day.

Reflection Questions on the Holy Name of Jesus:
Do you use His Name in vain?
Do you allow others to use Your God and Savior’s name in vain around you?
What creative response can you make to when others use His Name in vain?
How can you use His Name with reverence?
What can you do to remember the importance of His Holy Name?

His Holy Childhood is celebrated in the devotion to the Infant of Prague. His Holy Childhood is important because Christ is fully human and fully God, which is a core belief of our faith. Look at pictures and statues of the Holy Family, especially in our Nativities for the Christmas season, and let yourself be in awe of Baby Jesus.
What questions do you want to ask Him about His Childhood?
What do you think it was like having Mary and Joseph as parents?
Why did He choose Mary and Joseph to be parents?
Why did Jesus come as a baby rather than a fully-grown man?
Where do you see God in your own childhood memories?

January Catholic Challenge
Learn more about Christ’s Incarnation through the Gospels to inspire you to become more child-like, and don’t be afraid to use His name reverently throughout your day, even in conversation as a way of simple evangelization.

“God freely created us that we might know, love, and serve him in this life and be happy with him forever. God’s purpose in creating us is to draw forth from us a response of love and service here on earth, so that we may attain our goal of everlasting happiness with him in heaven.”
— St. Ignatius Loyola

The Holy Father’s Intention for January is for Educators: We pray that educators may be credible witnesses, teaching fraternity rather than competition and helping the youngest and most vulnerable above all.

YOUTH NEWS

By Misty Mehrkens
Misty.Mehrkens @ stbernardstrf.com
FB: @st.bernardsyouthgroup IG: @st_byouth

We “follow” people on social media for a whole variety of reasons – for entertainment, information, curiosity, voyeurism, or validation for our own choices and opinions. We are able to control and filter all of our interactions with the people we “follow”. What did it mean for the disciples to follow Jesus? They left all the safe things in their lives behind to follow him, without any assurances of where it would take them or how much he would challenge them. Something about Jesus inspired their trust, and that was enough. This is the unique challenge and promise at the core of Christianity. Our faith is not a set of rules or an abstract set of ideas about a distant God. It is a relationship with a person. Following Jesus is not like “following “ someone on social media! We cannot have a relationship with Christ by trying to control him or filter his words to fit neatly into our existing ideologies and identities. He calls each of us personally, individually. He is calling you to come and follow him and get to know him. What will your response be? Ask Jesus to prepare you to answer his call when it comes. You can visit Vocation Network website (<https://vocationnetwork.org/en/main>) and read some of the stories of people called to the priest hood or religious life. The Crookston Diocese is holding a vocation retreat called “Estro Vir” on July 11-14, 2023. (<https://www.crookston.org/vocations/estovir>). Learn more about vocations from Fr. Mike Schmitz: <https://www.youtube.com/watch?v=vJz9PbakIzY> Look around and learn more about the different ways God continues to call people in our modern world!

**“He called them, and immediately they left their boat and their father and followed Him.
”Matthew 4:22**

Just as Jesus called the first apostles, He calls each of us to follow Him, too. Not everyone is called to leave their business or family behind, but we are expected to put God first in everything. In gratitude to God, we should give our first and best of everything to Him: our time in daily prayer, our talent in participating in one of our parish ministries and our treasure to support the financial needs of our parish mission.

PROMISE TO PROTECT **PLEDGE TO HEAL**
If you or someone you know has been a victim of sexual misconduct on the part of a priest, deacon, or individual representing the Diocese of Crookston, its parishes, or its schools, your first call should be to law enforcement.
